

**FILMING, PHOTOGRAPHY AND****CONSENT FORM FOR STUDENTS****AUDIO RECORDING**

Nissan / VEX Robotics may wish to use photographs, video footage and audio recordings of your students participating in the VEX tournaments. These images, footage and recordings may be made publicly available in any Nissan and VEX Robotics media including print copies and may also be made available to the national press, other news or industry media (both print and web) and organisations who have sponsored VEX.

Please be aware that once a photo or video appears in the media, Nissan and VEX Robotics have no control over who else may use or view the images/footage or how long the images/footage remain available to use or view.

Nissan and VEX Robotics will treat all personal data in accordance with the provisions of the General Data Protection Regulation. The images, footage and recordings taken will be securely stored on the Nissan server along with a copy of this consent form. Only Nissan staff will have access to the stored copies of the files. Nissan and VEX Robotics will only process the personal data of the students for the purposes as set out in this form. Nissan and VEX Robotics will only retain the personal data of the students to satisfy those purposes and will remove the students' personal data from its systems when no longer required, and in any event at a maximum of ten years from the date of the event.

We should be grateful if you would fill in the box below to confirm that you consent to the taking and using of photographs, video recordings and audio recordings of your students.

Please inform Nissan staff on the day of the event if there are individual children who CANNOT have their photo taken. We will issue a Nissan lanyard to those children who do not have photographic permission.

Thank you.

GROUP NAME/REFERENCE:

I consent to photographs, video footage and audio recordings of my students being taken at the VEX tournaments and being used by or on behalf of Nissan for the following purposes:

- i) to publicise the *VEX Tournaments* and the work of Nissan and VEX Robotics more widely;
- ii) to be made available to the national press, other news or industry media (both print and web);
- iii) to be made available to organisations who have sponsored *VEX Tournaments* for use in their business activities; and

I confirm that the parents or legal guardians of my students have been informed of the purposes for which photographs, video footage and audio recordings will be taken and used and have chosen to opt in their children to being photographed, filmed and recorded at *VEX tournaments*. Should Nissan and VEX Robotics request it, written consent from parents or legal guardians is available to review.

I have informed Nissan of the identity of any children whose parents or legal guardians have indicated they do not wish their children to be photographed, filmed or recorded.
