River Ridge Academy
3050 River Ridge Dr
Bluffton, SC

When you arrive on campus, travel to the side of the building and park in the bus parking lot. We will enter through the side cafeteria door. In the picture below I circled the parking lot in blue and the red arrow points to the door.

Important Reminders

License Plates: Make sure your teams have two license plates visible on their robots. Each license plate should display the teams number.

Equipment: I would encourage you to **bring an extension cord and power strip**. Your team may not be close to an outlet and you may need an extension cord to reach the outlet.

Practice fields are encouraged. We will have two competition fields set up and one practice field. We have fourteen teams attending, there won't be much time to practice, but having a field available is nice.

Concessions/Food: We will have a very limited concession stand available. We will also have Chick-fil-A ordered from the link sent earlier. There are a few restaurants close by.

VOLUNTEERS: We can always use volunteers, any coaches or parents interested in helping please reach out to me. Serving as the Head Referee or a Scoring Referee is a great way to learn the game.

We look forward to seeing everyone. Please let me know if you have any questions, needs, or concerns. I would be glad to assist you. My contact information is cell 843-707-6518 or eric.mohrman@beaufort.k12.sc.us.
