

Hello coaches,

Thank you all for signing up for the Panther Pushback Classic- V5RC -MS hosted by the Cabot High School robotics team on December 6, 2025. This tournament is a major source of fundraising and will be run with the help of the CHS Robotics students. We are grateful that you have chosen our tournament and hope to provide the best experience possible for you and your teams.

Concessions Stand

We will have a concession stand at the event where we will sell drinks and snacks.

Lunch

Lunch will be on each team. Cabot has a lot of fast food options like McDonalds, Burger King, Taco Bell, and etc. There are a lot of pizza places as well.

Cabot High Panther Arena

Entrances will be marked with signs, teams will enter from the front of the arena (**see map below**). Buses will need to park in the section labeled bus parking on the map below. The address is:

401 N Lincoln Street, Cabot,AR,72023

We will have check in/inspection start at 7:45am and teams will have to be checked in by 8:30am, ***NO EXCEPTIONS***. The driver and coach meeting will start at 8:45am and we will begin matches shortly thereafter. Skills will run until the end of Qualifiers. I would like to have the event finished within a reasonable time, as I know many of you must travel. It is important to let your teams know that they need to keep to the schedules that we post and have inspection completed as soon as possible. Teams who have not passed inspection by 8:30am will not be able to compete. Last but not least, payment needs to be done two weeks before the tournament. If registration isn't done, then your team can't compete and will be replaced by another team on the waitlist. I understand that things happen, so please email me if you have any questions or issues.

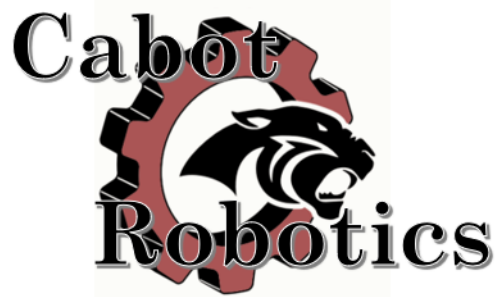

I hope that I have provided you with the necessary information. If you have any questions about the event, please let me know.

Thank you,

Dylan Glover
