

ACAMIS North Regional IQ & V5 Tournament

Welcome

Welcome to the ACAMIS North Vex Robotics Tournament. This will include both IQ and V5 events. It will be January 17th and 18th hosted at BCIS, in Beijing. There will be two Event Partners.

- Vex IQ – Jesus Garcia - jgarciajorda@isb.cn
- Vex V5 – Ashely Bondurant – ashely.bondurant@bcis.cn

Please feel free to reach out to either of them if there is anything that you need.

Food

Lunch

Lunch will be provided each day of the event. On Saturday, we will order pizza. We will take orders for Sunday lunch, which will be Subway.

Snacks

In keeping with our school's mission of sustainability, we will provide fruit and other snacks for students to eat free of charge.

The Zone

Our school's coffee shop, "The Zone" will be open on the days of the tournament.

Wi-Fi Information

Visitors can log into our Wi-Fi with the following credentials:

SSID: Events

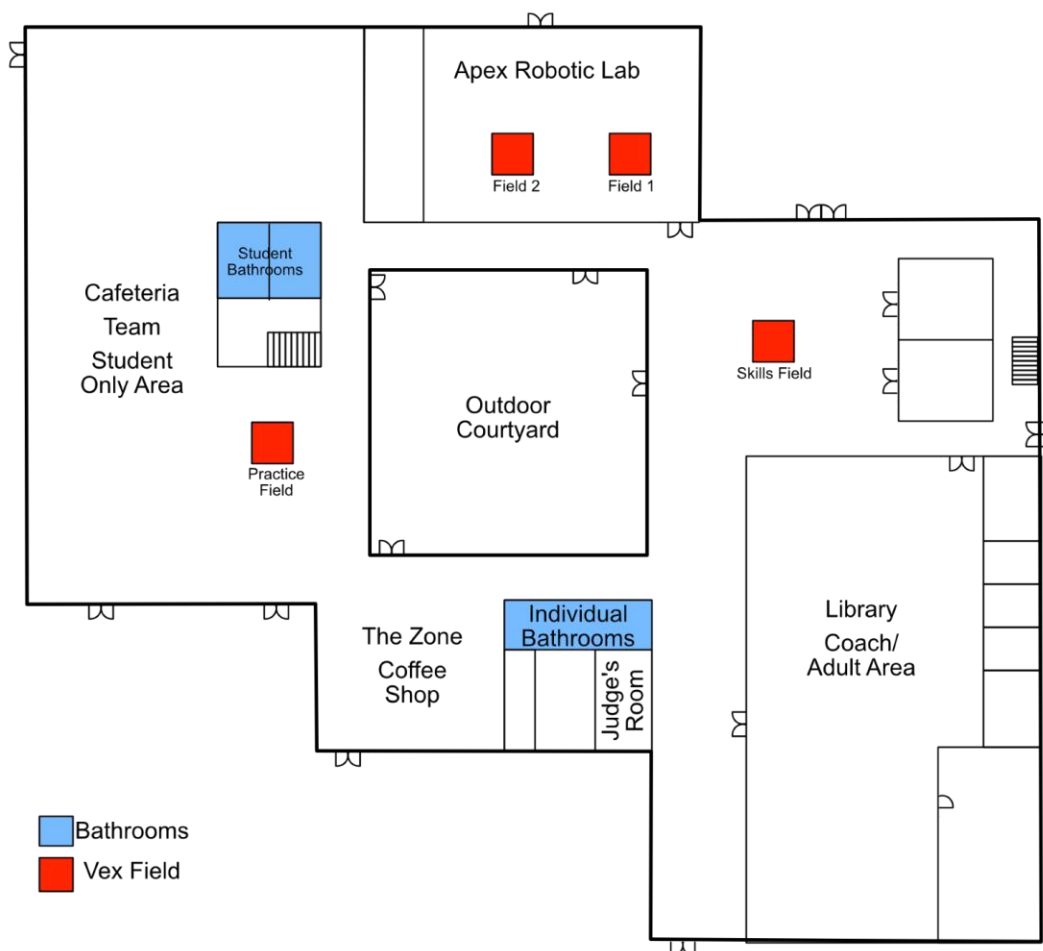

Password: (not set yet)

Or you can scan the QR Code

Livestream

We will try to provide a live stream of the event through RobotEvents.

MSHS Facilities – V5 Location

Team Stations

Team Stations will be set up in the school cafeteria closest to the event. IQ will be in the Elementary Cafeteria and V5 will be in the MSHS Cafeteria. Each team will have their own clearly marked table with a power supply. There will also be a charging station set up on the V5 side (see picture below). All teams are free to use this. This will be within view of security cameras, but it is suggested that all batteries are labeled with school/team names for clarification. This is a team-only area. Coaches and adults should not be in this area. This area will include a practice field.

Coach/Adult Lounge

The MSHS Library will be set up for coaches and judges. There will be snacks and coffee set up in this area. We will try to arrange the live feed to be projected into this area as well.

Judges Room

The judges will have their own room just across the Coach/Adult Lounge.

Apex (Robotics Lab)

V5 Main events will be held in our Apex, our robotics lab.

Bathrooms

In the MS/HS, there are student only bathrooms beside the staircase in the cafeteria area. Beside The Zone coffee shop, there are bathrooms that anyone can use regardless of age or gender identity. Those are single bathrooms and may only be used by one person at a time. There is an accessible bathroom in that area as well.

The Zone Coffee Shop

The Zone is our school's coffee shop. They will be selling drinks and snacks.

IQ Location

Bathrooms

In the Elementary School, there are student bathrooms in hall along the back side of the cafeteria. The adult bathrooms are on the far side of the library from the cafeteria.

V5 Event Schedule

Saturday Jan 17th	Sunday Jan 18th
9:00 Check-In	10:00 – 12:30 Qualification Round 2
9:00 – 10:30 Robot Inspections	12:30 – 14:00 Lunch
10:30 – 10:40 Welcome Assembly - Theater	14:00 – 14:30 – Alliance Selection

--	--

IQ Event Schedule

Saturday Jan 17th 9:00 Check-In 9:00 – 10:30 Robot Inspections 10:30 – 10:40 Welcome Assembly - Theater 10:40 – 12:00 Practice Rounds 12:00 – 12:30 Lunch 12:30 – 13:00 Drivers' Meeting 13:00 – 16:00 Qualification Round 1	Sunday Jan 18th 10:00 – 12:00 Qualification Round 2 12:00 – 13:00 Lunch 13:00 – 14:00 – Finals Preparation 14:00 – 15:00 – VEX IQ Finals 16:00 – 16:30 Awards
--	---

Awards Given

For both V5 and IQ, the following award will be given:

- Tournament Champion (2 trophies)
- Tournament 2nd place (2 trophies)
- Tournament 3rd place (2 trophies)
- Excellence award
- Design award
- Innovate award
- Judge award
- Skills champion

Event Rules and Format

Robot Inspection

We will set up robot inspection stations. Robots will not be able to compete until they have passed inspection.

Notebooks

Teams are asked to bring printed versions of their engineering notebooks. These will be assessed by the judges and will be considered for the awards given.

Team Interviews

Judges will set up interviews with all teams. These will be scheduled by the judges with the individual teams.

Tournament Rules

Official V5 Tournament Rules

You can see the official Tournament Guide [here on Rec Foundation](#). It includes the most recent Game Manual.

Practice Fields

There will be a practice field set up in the cafeteria where the teams will be stationed.

3rd Place Match

We will have a single match to determine the third-place winner.

Finals

The finals will be decided with a best of three sets of matches. There will be a five-minute break between each match. This will allow teams to set strategies, make repairs and cool their motors.
