

Norwell Robotics Event

12/6/2025

I hope you all have a fantastic holiday Season! We are excited to be sending information for our Third Competition here at Norwell. It will be here before we know it. We wanted to send an easy printout packet for you to navigate, I hope this helps.

Norwell Event Information

Spectators can enter through Door 49. There will be one greeter there for questions. You will turn right to walk down the hallway towards the middle school cafeteria and Gym. There will be seats in the gym and the cafeteria. Concessions will have breakfast and lunch options in the cafeteria.

Buses can unload at door 43. There will be greeters there to check teams in and direct you to your pits. I have included a map for visual reference.

Each team will have a table. There will be one outlet per school next to your pit areas, so you can charge your batteries. The inspection will be in the gym starting at 8:00am. Inspection closes at 9:00am. Qualification matches will begin at 9:30.

There are restrooms across from the middle school cafeteria as well as next to door 43 by the pit stations. There will be concessions with options for breakfast and lunch. Break is scheduled tentatively to start at noon. Please plan lunch at Norwell. The closest restaurant options would be Bluffton, however I'm not sure if there is time to get there and back in the 30 minutes allotted. There will be a hospitality room for all volunteers and coaches.
