Norwell Robotics Event

12/5/2026

I hope you all are having a Wonderful Season! We are excited to be sending information about our Fourth Competition here at Norwell. It will be here before we know it. We wanted to send an easy printout packet for you to navigate.

Norwell Event Information

Spectators can enter through Door 49. There will be one greeter there for questions. You will turn right to walk down the hallway towards the middle school cafeteria and Gym. There will be seats in the gym and the cafeteria. Concessions will have breakfast and lunch options in the cafeteria.

Buses can unload at door 49. There will be greeters there to check teams in and direct you to your pits. All pits will be in the Norwell Middle school cafeteria this year. I have included a map for visual reference.

Each team will have a table. There will be one outlet per school next to your pit areas, so you can charge your batteries. The inspection will be in the gym starting at 8:00am. Inspection closes at 9:00am. Qualification matches will begin at 9:30.

There are restrooms across from the middle school cafeteria. There will be concessions with options for breakfast and lunch. Break is scheduled tentatively to start at noon. The closest restaurant option would be Bluffton. You can look up restaurants near me on google or just travel south on Highway 1; they will all be on the highway when you get into Bluffton.

Map of Norwell's campus – we currently have construction on the East side of our campus as we are building a new middle school. It will be important that busses park on the far east lot after dropping teams off. Overflow parking will be in the high school main lot.
