

Each team's packet contains the following:

- Pit Map
- **Interview Rubric**
- **Robot Inspection Form (We'll try to do these digitally.)*
- **1 Coach Wristband per team** for the Hospitality Room
- **Skills QR Code** to check in to the skills line (**See **Skills** Below)
- *Your notebook rubric has already been given to the judges*

Tentative Agenda

***Please turn in your notebook before 8:30 AM by check-in.**

- 7:15** Doors open for teams
- 7:30** Robot inspections begin
- 7:45** Skills fields open for any team that passes inspection
- 8:30** Estimated time for Drivers Meeting - *After all teams pass inspection*
- 8:45** Qualifying matches begin promptly after the drivers' meeting
- 12:00** Lunch - **Expect qualification rounds to run through lunch.*
- 1:00** Estimated time for qualification rounds to end.
- 1:30** Alliance Selection followed by the Tournament Rounds
- 3:30** Awards and Closing (Event may run late)

Lunch Reminder – *We will not stop qualifying matches for lunch, if necessary.*

Donut/Pizza Pre-order payment by cash or check (payable to Milford Robotics) is due at **check-in**. An announcement will be made when pizzas arrive and we ask if you ordered for several teams on one pre-order, please plan to pick them up all at once

Inspections – Begin at **7:30 AM**. Please take your pre-printed Team Inspection form to the on-deck area for your tournament, *just in case the digital form stops functioning.*

Skills – Skills fields will open at **7:45 AM**. **Two skills fields** will be located in the gym behind the competition arenas. **Both** fields will support **both** HS/MS tournaments. There will be one line for both fields.

We're implementing a new system for skills this year:

- If you **do not** have a mobile device with a Google account, go to the skills check-in table, and a volunteer will register your team in the virtual skills line.
- If you **do** have a mobile device with a Google account:
 1. **Scan** the QR code using your mobile device
 2. **Enter your team number** on the Skills Registration form and **submit** the form to reserve your place in the virtual skills line
 3. Click on the link in the Skills Registration form or check the **monitor** at the skills table to **see your place in line**
 4. When your team is near the top of the skills line and ready for your skills run, go to the skills table and **check in** with the volunteer there
 5. The volunteer will change your team's status to **On-Deck**
 6. When a skills field is open, the volunteer will call the **next available** On-Deck team
 7. Once you have **completed** your skills run, **check out** with the volunteer at the skills table
 8. After completing your run, you may repeat this process to re-enter the virtual skills line
 9. If you are unable to re-enter the virtual skills line, check with a volunteer at the skills table

Judging – **All initial Judge interviews will be team-initiated.** Judge interviews will take place in the hallways inside the gym doors to the left. **It will be up to each team to go to the judge's station for an interview.** Signs will be posted. Please bring your team's Interview Rubric. It is highly recommended that you complete this as early as possible!
