

All teams will be issued three colored wrist bands that be used by any team member. Red for middle school and blue for high school. Only team members with the wrist bands will be allowed into the Queueing area, the Skills Field area, and the practice field area. Do not lose them, three per team. Due to limited space, **No carts** will be allowed in the Queueing area, in line for practice or Skills fields. Soft drinks and snacks are allowed in the pits. NO outside purchased food is allowed in any of the convention buildings. Even if you are hotel guests. Please do not put any teams in a "G1" violation situation. Restrooms are in the foyers. See over all site map.
